

Project Management 2011

March 15, 22, 29

Who is the course aimed at?

The course is aimed at individuals and / or organisations with ideas to turn into a sustainable project, within the social enterprise, voluntary and community sectors.

What is the aim of the course?

The primary aim of this course is to equip participants with skills and knowledge e.g. project management, planning and research methods that will enable learners to develop their initial ideas in order to set up a sustainable social enterprise or project.

Open College Network Level Two accreditation is available.

By the end of the course you will have covered topics including:

- Aims & Objectives
- Research methods
- Sources of funding
- Identifying stakeholders
- Project planning
- Legal structures
- Risk assessment
- Budgeting overview

Previous participants said...

"Very informative and helped build my confidence"

"Content of the course provides an excellent frame for managing projects"

"A patient trainer with a great sense of humour & caring, respectful manner"

"Enjoyable course that has enabled me to bring together previous experience into one approach"
